

SPRING & SUMMER PROGRAMME

2010

As well as member presentations and technique workshops, we have a good range of varied items this season. Mark Sedgwick, president of the Irish Photographic Federation will give a talk on the IPF, Licentiate/Distinctions as well as a presentation of his own work. Peter Cox, Irish Landscape Photographer of the Year 2007 will show a presentation of his own work as will Maurice Gunning, Photographer in Residence at UL. Toward the end of the season we will have the Michael Kelly Memorial Team AV presentation, which was hugely successful last year. In an effort to support the Camp Claddagh Chernobyl Aid charity the club is looking to hold an exhibition of members work at a venue in Galway - details to follow.

Also look out for the outings that will be organised throughout the season

Competitions for this season are: Open, Decisive Moments (after HC Bresson), Galway Waterways and Landscape/Don't forget each night's individual category winners will receive a prize kindly sponsored by Davitt Photo of Salthill.

Best of luck to all who enter and looking forward to the new season.
